

5. INSURANCE INTEGRATION

5.1 THIRD-PARTY INSURANCE PARTNERSHIPS

Palmtrent's Role

****We Facilitate, We Don't Insure:****

****What Palmtrent Does:****

- Connect users with insurance companies
- Integrate insurance quotes into booking flow
- Facilitate policy purchase (seamless UX)
- Receive commissions for successful sales
- Provide data to insurers (better underwriting)
- Assist with claims documentation
- Track policy renewals and expirations
- Monitor insurance compliance

****What We DON'T Do:****

- Underwrite insurance ourselves
- Process claims directly (insurers handle)
- Take on insurance risk
- Require insurance broker license (pure facilitation)
- Set insurance premiums (insurers decide)
- Guarantee claim payouts (insurers responsible)

Legal Structure

****Palmtrent = Marketing/Referral Partner****

- No FSP (Financial Services Provider) license needed
- No FAIS (Financial Advisory) compliance (insurers advise)
- Clear disclosure: "Insurance provided by [Partner Name]"
- Terms state: "Palmtrent facilitates, does not guarantee"
- Commission disclosed transparently
- All claims handled by insurance partners

****Agreements with Insurance Partners:****

- Referral/Marketing Agreement (not underwriting)
- API access for quotes and policy issuance
- Commission structure documented
- Data sharing protocols (POPIA compliant)
- Claims process coordination
- Joint marketing and co-branding rights

5.2 INSURANCE PARTNER STRUCTURE

Target Partners (Zimbabwe)

****Tier 1: Primary Partners (2-3 companies)****

****Target Companies:****

- Zimnat Lion Insurance (largest, strong reputation)

- Deep API integration (instant quotes, policy issuance)
- Fast claims processing commitment (24-48 hours)
- Dedicated support for Palmtrent platform issues
- Co-marketing agreements (joint campaigns)
- Quarterly business reviews
- Commission: 8-10% of premiums
- Revenue sharing on renewals (5% ongoing)

****Tier 2: Marketplace Partners (3-5 companies)****

****Target Companies:****

- Alliance Insurance
- Fidelity Life (part of FBC Holdings)
- Emerald Insurance
- Sanctuary Insurance
- Continental Reinsurance

****Partnership Features:****

- Listed in insurance comparison tool
- Standard integration (quotes via API or manual)
- Pay per lead/policy sold (performance-based)
- Access to platform user base
- Self-service partner portal

- **Commission: 8-10% of premiums**
- **No minimum volume commitment**
